

The Great Spring Litter Pick

Our Autumn litter pick was a great success – despite the poor weather. We are hoping that even more of you will get involved for The Great Spring Litter Pick. As before, our challenge to you is to collect a bag of litter from your home/school community area between now and the end of the Easter holidays for as much sponsorship as possible (**minimum of £10**).

This is a great way to teach our children about civic responsibility and to raise awareness in the community who will see our responsible young people in action. Although we would love to have arranged this en masse, we need to be Covid compliant at all times. Accordingly, this is an individual, family effort.

Equipment

Parents are responsible for the safety of their children during this event. You will need:

- Litter grabber (available on **AmazonSmile** from around £5 – please select **Chinthurst Parents' Association** as your charity!)
- Heavy weight bin bag
- Gloves
- Bright clothing/high vis shirt

Timing

We plan to hold a Great Litter Pick once per term allocating a specific month so that families can choose a time that best suits them: October 2020, March 2021, June 2021. Reminders will be sent out during the relevant months.

Sponsorship

We would ask that sponsorship payment is made **by Monday 19/04/2021** via BACS to:

Chinthurst Parents' Association

SC 20-57-76

AC 30727652

Ref: Class-Name-Number of bags e.g. 5GThornton2

The Class who collects the most bags/raises the most sponsorship will be rewarded so please get your friends involved too!

Please send any fun photos to: chinthurstparentsassociation@gmail.com

Children participating will earn their Green Shield badge or the next level up, the Navy Shield to be proudly displayed on their blazers.

As always THANK YOU so much from the CPA for supporting all our fundraising efforts. We will continue to do the best for the children despite these difficult times!
